

Interior camera
colour

The MorE-In is a robust interior camera. It is particularly suited for monitoring oncoming traffic in case of kerb-side driven discharge vehicles.

Model **MorE-In**

Technical Data	
Housing protection class	IP65
Housing	MS
Horizontal image angle	typ.53°
Min. light intensity	0 lx
Resolution	297.000 Pixel
Image sensor	1/4" CCD-Sensor
Video signal	FBAS, 1Vss / 75 Ohm
Voltage supply	10 V DC ... 15 V DC
Current consumption	max. 0,15 A (IR0,24 A)
Operating temperature	-10 °C ... +50 °C
Storage temperature	-30 °C ... +70 °C
