

Camera switchbox

Model

MorB-P

Technical Data	
Function	operating unit for MorB-P
Additional option	second camera input for compact camera external input for zooming
Protection class	IP54
Housing	metal casing synthetic surface
Protection against	reverse polarity, short-circuit
Type of installation	user definable
Voltage supply	24 V DC
Power consumption	max. 0,5 A
Operating temperature	-30 °C ... +60 °C
Storage temperature	-40 °C ... +85 °C
Dimensions	150 x 115 x 54 mm
Weight	750 g
